

Austin Energy

Austin Energy is more than just a power company. We are 1,700 of your friends and neighbors with a mission to safely deliver clean, affordable, reliable energy and excellent customer service — 24 hours a day, 365 days a year.

As a community-owned utility, we're a not-for-profit enterprise of the City of Austin that is focused on driving customer value in energy services. At Austin Energy, we are determined to use innovative technology to build a better Austin and to lead the way for clean, affordable energy.

Fiscal Year 2020
