8	Anthony	Schmucker	anthonys@hacanet.org	Senior Program Manager	The Housing Authority of the City of Austin	Interested in Collaborating - The Housing Authority of the City of Austin is really great at leveraging trusted relationships and place-based solutions to work with our low-income housing residents. Integration of Community Health Workers (for us, all current or former HACA residents) into our Health & Wellness programming is relatively new (2019) and so we're always looking to collaborate with more experienced, clinically based orgs!
9	Sandra	Chavez	schavez@ashwellatx.org	Director of Outreach	ASHwell	Interested in Collaborating - we are very interested in additional training for our Peer Support staff which is similar to CHW.
