

Zilker Park Vision Plan

Small Group Discussions: Park Operations

April 29, 2021

Zoom Meeting Chat

00:34:50 D'Anne Williams: Sorry, it looks like my mic is not working. I'll try to fix it.

00:43:20 D'Anne Williams: More parking means more people. Can the park accommodate more people?

01:06:37 LeAnn Ishcomer: Isn't that the swan song of all of our units? More staff?

01:12:01 D'Anne Williams: Off site parking garage with shuttle?

01:17:16 LeAnn Ishcomer: OOO- and signage in MULTIPLE LANGUAGES- spanish, vietnamese, arabic, etc.

01:18:11 LeAnn Ishcomer: Wayfinding signage -----> to barton springs pool, etc.

01:20:02 LeAnn Ishcomer: Is it access?

01:25:09 David Papke: Placing this comment... I'd like to see a sidewalk leading up to the front entrance to Zilker Botanical Gardens. People accessing that entrance have to walk on the side of Barton Springs road in the bike lane, which is badly damaged

01:25:46 LeAnn Ishcomer: There has been discussion about a flyway to ZBG from polo fields

01:26:23 LeAnn Ishcomer: Thank you all! I am headed off!

01:26:23 D'Anne Williams: ATD is proposing a multi-use sidewalk from Stratford to the entrance of ZBG on Barton Springs

01:27:59 David Papke: @D'Anne, that's great to hear!
